

DIRECTIONS FROM THE T-CENTRALEN (CENTRAL STATION/CITY TERMINAL)

Take the underground in the direction of Norsborg and Fruängen (red line). Get off at Mariatorget, three stops from the central station. Take the exit Torkel Knutssongatan. At the entrance/exit at street level, turn to your right and walk straight ahead until reaching Hornsgatan. Walk across Hornsgatan and turn to your right, walk straight ahead for approx. 100 meters. The entrance to Hotel Hornsgatan is found next to the restaurant T8NG (TONG).

A taxi from the central station to Hotel Hornsgatan is about 150 SEK. We recommend the larger taxi companies Taxi Stockholm, Taxi 020 or Taxi Kurir to make sure you pay a fair price.

If you select another taxi company, always make sure to ask about the price in advance. There are no regulations for fair taxi pricing, some smaller companies have been known to drastically overcharge tourists.
